

Are You Interested in Cross-Country Skiing or Snowshoeing?

Our Winter Fanatics groups have started off in great style. We have a huge number of cyclists who are willing to be real Canadians and get out there and get it done. We also have a hearty group of hikers who are seeing some new areas of Niagara that they may not have explored before. It's wonderful fun! You can join in at any time.

Some of us are hoping that we will have a winter with lots of snow so that we can cross-country ski and snowshoe right here in the Niagara Region. At this time, we are asking if anyone is interested in participating in an organized cross-country skiing and snowshoeing group. Once we see if there is any interest, we will go from there. If you are interested in being part of the group, please send an email to Lynda Purpura, [Communications Director](#).
