

Netherlands Boat & Bike Tour **(Non-Freewheelers Event)**

Are you fully vaccinated? Are you ready to travel again? If you answered, 'yes' and 'yes', then this 8-day/7-night boat and bike tour in the southern part of the Netherlands from June 4-11, 2022 may interest you. Freewheelers, Ineke Brinkman (Vision Travel) and her partner David have signed up for this adventure to cycle from Maastricht to Amsterdam. The ship accommodation is a notch up from the no longer operating Tidgeest and Flora that the Freewheelers travelled on in 2019.

Price per person is € 1099 (approximately CAD \$1750 per person based on double occupancy). This price includes 7 breakfasts, packed lunches, 7 three-course dinners, fully guided cycling tours, and much much more. Additional costs include: bicycle rental/insurance (limited number of E-Bikes available), roundtrip airfare Toronto-Amsterdam, and the optional but highly recommended cancellation/interruption and medical out of country insurance.
