**Sort Rides**

The magnifying glass icon allows you to sort and search the Ride Schedule (calendar) on the website by three filters Tour, Tour Leader Name, and/or Tour Start Code (e.g. Speedy Turtles, Hans Taal, RPC)

- Click on the magnifying glass icon.
- Decide which filter you want to sort by - Tour, Tour Leader Name, Tour Start Code (any combination).
- Using the example, insert Tour (Speedy Turtles); insert Tour Leader Name (Hans Taal) in lower or upper case (Tour Leader's initials cannot be searched; type all or part of the Tour Leader's name); and insert Tour Start Code (RPC).
- Click 'Apply'.
- The Ride Schedule (calendar/month view) will show what you have searched for (scroll through months to see results); or click '30 Days' to change to list view; or click 'All' to change to list view from current date until the end of the year; or click 'Day' for current day.
- To clear sorting, click magnifying glass icon and then 'X' to clear the filter.
- To print any view, click 'Print'.
