Bench Brewing Company START
3991 King St. Beamsville, ON L3J 1E7

A loop ride starting from the back parking lot of Bench Brewing Company going east through orchards then south rising from Lake Ontario and passing through vineyards before climbing the Niagara Escarpment and the "bench", a second level of the escarpment that provides an extra level of ideal growing conditions for viticulture as evidenced by Flat Rock and Sue Ann Staff wineries. A rest stop at Rockway Conservation then the ride west will continue on country roads before turning north.
