

Welland Canal Trail Closures

WELLAND (Water Treatment Plant Work)

Closure along west bank trail between the aqueduct and north of Merritt Road

Detour coming from St. Catharines:

- After crossing Thorold Road, the canal path is accessible until Dufferin Street
- Using trail cut out, R at Dufferin Street
- L on Aqueduct Street
- R on Church Street
- L on Niagara Street
- Just after crossing Main Street, take sidewalk on R to W side trail. Note: there is gravel at the corner where you would normally access the sidewalk.

Detour coming from Port Colborne: reverse above directions.

ALLANBURG (Allanburg Bridge Rehabilitation Work)

The Allanburg Bridge is temporarily closed to traffic while planned structural rehabilitation work is carried out. The bridge work affects a portion of the Welland Canal Trail.

Weekday Bridge Closure

October 13 to November 11

Monday to Friday, 7 am - 7 pm

Open Weekends

Welland Canal Trail

As part of the bridge work, a portion of the Welland Canal Trail is closed from Monday to Friday and open on weekends. If going south, you will be directed to take the gravel road before the park and make a left turn onto Holland Road. At Hwy. 20, cross over to the parking lot on the south side of the road to rejoin the trail going south. Reverse if going north.
